

Protecting and conserving our island water

## By protecting our land we protect our water

Every lake,  
stream, or well  
has a source area

**Want to know more?**

This information is part of the *Gulf Islands Waterscape poster*, a Miscellaneous Report by the Geological Survey of Canada that will be available in late 2004. Draft content of the poster is available on the internet at: [www.bowenisland.info/waterscapes](http://www.bowenisland.info/waterscapes) and [www.geoscape.nrcan.gc.ca](http://www.geoscape.nrcan.gc.ca)
